Before 6:30 am, please Sir.

Just the maps, unless you see from the data that there's more we can share that tells the story.

We don't have enough info yet for a story map, but please keep that in mind and we can discuss as we proceed how that can benefit.

Thanks David

I don't have any issues with accessing the data. Just clarifying on the deliverables. You would like the aspect map delivery tonight, correct? Are there any other deliverables you are expecting tonight or in the morning?

Thank you!

Evening,

I wasn't sure who to reach out to. My only question mark right now point is what the data deliverables are, and when you would like them. What are you guys expecting tonight or tomorrow AM?

Maybe a call tomorrow AM?

I am hearing the reporting period is 24 hours, 0600 to 0600.

I am fully available this week. Let me know.

Thanks!
